

51st World Earth Day

22nd April, 2021

Theme : “Restore Our Earth”

Earth Day is an annual event on April 22 to demonstrate support for environmental protection. First held on April 22, 1970, it now includes a wide range of events coordinated globally by earthday.org including 1 billion people in more than 193 countries. The theme of this year focuses on natural processes, emerging green technologies, and innovative thinking that can restore the world's ecosystems.

Earth Day goes global, mobilizing 200 million people in 141 countries

1990

Earth Day Network launches A Billion Acts of Green® and The Canopy Project. Earth Day 2010 engages 75,000 global partners in 192 countries

2010

1970

The first Earth Day mobilizes 20 million Americans to call for increased protections for our planet

2000

Earth Day leverages the power of digital media to build millions of local conversations across more than 180 countries

2020

Earth Day 2020 marked 50 years with global activations that aim to mobilize a billion people worldwide for transformative action for our planet

Tips to keep our Earth healthy

Conserve Water

Reduce, Reuse, Recycle in the Garden
